Bradley Is Upheld By Vote of 18-8

G.O.P. Senators Bid To Force General To Answer Loses

WASHINGTON, May 17—(AP)—Senate investigators upheld today the refusal of Gen. Omar N. Bradley to testify about President Truman's private talks with his advisers on firing Gen. Douglas MacArthur.

Senator M. M. Mason (D-Conn.) said the vote was 18 to 8.

The action sustained a decision by Senator Russell (D-Ga.), chairman of the joint armed services and foreign relations committee, that Bradley had a right to keep silent on the talks.

Bradley declined on Tuesday to tell the committee, in response to questions by Senator Wiley (R-Wis.), what was said at a White House conference April 6 which led to the President's dismissal of MacArthur as Pacific commander on April 11.

A vote to overturn Russell's ruling could have led to a formal demand that Bradley answer the questions or face possible charges of contempt of Congress.

Bradley objected that his usefulness as an adviser to President Truman would be ended if he told. Mr. Truman backed up the general's reluctance to talk.

But Senator Knowland (R-Calif.) served notice he will fight attempts to lower what he called a similar "iron curtain" around Secretary of State Acheson.

It was a foregone conclusion a Democratic majority—with the aid of Senator Morse (R-Ore.) and possibly Senator Lodge (R-Mass.) would uphold Bradley's refusal to recount actual conversations.

Mr. Truman said through a White House secretary that Bradley ought not to answer the question.

In advance of the vote, Democrats suggested Republicans might be getting ready to cry "whitewash" on grounds, as Senator Hickenlooper (R-Iowa), told reporters he thinks MacArthur's proposals for carrying the Korean war to Red China have neither been shaken nor disapproved.

The Senate Armed Services and Foreign Relations Committee had agreed to vote at noon on a move to force Bradley to tell what military and diplomatic leaders—including Acheson—said when they discussed MacArthur's dismissal with the President April 6. MacArthur was fired April 11.

Acheson, who is to be a witness later, has long been a particular target of many Republicans.

Bradley, the five-star general who is chairman of the Joint Chiefs of Staff, said he would not recount actual White House conversations, but he said he is ready to disclose decisions made at the conference.

Senator Taft (R-Ohio) who previously had kept out of the controversy, told reporters the committee ought to require an answer to any "properly framed" and relevant question.

Taft, chairman of the Senate G.O.P. policy committee, suggested that the roll-back be "jeopardized production."

Brannan Gives Forecast Sees Future Problems For Rollback In Cattle

WASHINGTON, May 17—(AP)—Secretary of Agriculture Brannan said today the government's recent price ceiling rollback on cattle may put more beef on dinner tables over the next year or two, but less than a year ago.

This forecast was given in a statement the secretary prepared for the House agriculture committee. The committee had asked for information from the department in connection with its study of the rollback order.

Brannan's prediction that the price order might have a discouraging effect on the long-range production picture for cattle was a slight modification from testimony he gave before the Senate banking committee yesterday. He said then that the rollback would not "jeopardize production."

Too Early

In today's statement, Brannan qualified his prediction with the words that "it is too early to be sure of the answer, and we shall have to watch developments in cattle marketing and production closely during the months ahead."

RITA HAYWORTH

Says Rita's Curves May Be Placed 'Under Wraps'

NEW YORK, May 17—(AP)—Rita Hayworth's shapely legs and eye-catching curves may have to go into hiding.

The spiritual head of the Islamic Mission of America says that if the glamorous screen star raises her daughter as a Moslem she'll have to hide her own physical charms under a thing called a "kams."

A kams is a loose-fitting, sack-like robe which veils just about everything but face and hands.

What's more, says the Moslem spokesman, Rita will have to forego bathing suits, polka and palpitating screen kisses. "It is immoral for a man to kiss a woman in public," Shaikh Daoud Ahmed Faisal declared from his Brooklyn headquarters.

Bartley Crum, the red-haired actress' lawyer, recently disclosed that Rita had agreed to rear her infant daughter, Yasmin, in the Moslem faith of her father, Prince Aly Khan. In turn, Rita asked Aly, whom she plans to divorce, to set up a \$3,000,000 trust fund for 15-month-old Yasmin.

The Shaikh said that if Yasmin is brought up in the Islamic faith, her mother must virtually become a Moslem herself. For Moslem law requires that a child raised in the faith must live in a Moslem environment.

Freeze New Gas Heating

COLUMBUS, May 17—(AP)—The State Public Utilities Commission today imposed a complete freeze on new gas heating units supplied by six gas companies and continued partial freezes against four others.

Complete freezes on new heating units were placed against the Ohio Fuel Gas Co., Dayton Power and Light Co., Natural Gas Co. of West Virginia, Portsmouth Gas Co., and the Cincinnati Gas and Electric Co.

Existing regulations calling for partial freezes (one conversion to each new construction) were retained in effect for the East Ohio Gas Co., the National Gas and Oil Corp., Newark Consumers Gas Co., and the Toledo Edison Co.

The secretary explained that when the long-range price prospects for cattle are favorable, farmers tend to hold back more cattle for breeding purposes and herd expansion. In other words, the number of cattle sold for beef is below the rate of production at any one time.

But when future prospects turn less favorable, cattlemen tend to sell off more than their current rate of production. This has the effect of swelling beef supplies above the actual rate of cattle production, with a consequent reduction of cattle numbers and smaller beef supplies later on.

Under the rollback, cattle prices by fall would be down about 18 percent from recent levels.

Dr. Sutherland Named By National Group

He has been secretary and business manager of the organization for the past year.

Truman Hits Proposal To Cut Army

Calls Reduction Asked by Taft An 'Invitation to War'

WASHINGTON, May 17—(AP)—President Truman today hung an "invitation-to-war" tag on a proposal by Senator Taft (R-Ohio) to reduce the manpower goal of the armed forces by 500,000 men.

If Congress should permit the defense program to "get snarled up, or delayed, or slashed, we would be courting disaster," Mr. Truman said in a speech prepared for the national conference on citizenship meeting at the Statler Hotel.

The President denounced "penalty-pinching" on foreign aid, and accused some of his opponents of "playing politics" at a time of "very real" danger of war with Russia.

He also called on the people to counter "special interest" lobbies by urging their congressmen to support taxes, and stronger price, rent and wage controls.

Calls for Action

Declaring that unless existing controls, due to expire June 30, are extended and strengthened "the cost of living will go through the roof," Mr. Truman said:

"The special interests and the lobbies will wreck this stabilization program, as sure as you're born, unless the main body of the citizens of this country get busy and do something about it."

Mr. Truman did not mention Senator Taft by name but he left no doubt he had the Ohioan in mind.

Marion Boy Hit By Car, Severely Hurt

Patrick Burris, 3, In Hospital With Broken Leg, Arm

A Marion boy, hit yesterday by an automobile, is in "fairly good" condition in Marion City Hospital today.

Patrick Burris, three-year-old son of Mr. and Mrs. Robert Burris of 357 1/2 Silver street, sustained a broken right leg, a broken right arm, chipped teeth and a lacerated mouth when he was struck by a car driven by Albert Reece Lee, 43, of 383 Mary street.

Lee was driving east on Silver street and the boy ran in front of him, police were told. Tire marks showed the auto skidded 30 feet before it stopped. The boy saw the car coming and turned to run out of its way, but it was too late, witnesses told police.

He was taken to the hospital in the Lee car.

Another boy was slightly injured when he was run down by a motor scooter at Cherry street and Bellefontaine avenue yesterday at 12:38 p.m.

Lannen Booth, seven-year-old son of Rev. and Mrs. Ashley Booth of 310 Bellefontaine avenue, was crossing Cherry street at Bellefontaine when the motor scooter ridden by Gerald E. Issler, 16, of 520 Olney avenue attempted a left turn onto Cherry street. The boy saw the scooter coming and turned to run, but tripped and fell down. The scooter ran over his legs, police said. He was taken to the Marion City Hospital where he was treated for shoulder abrasions and bruises and released.

Minor damage was reported when cars driven by Wendell J. Albert, 22, of 764 Bellefontaine avenue and William Marble, 17, of 290 Willow street collided at Mill and Main streets at 7:33 p.m. yesterday, police said.

A flight on nine Fairchild Packets of northern Ohio's 433rd Troop Carrier Wing flew over Marion this morning in connection with the observance. The flight took off from Donaldson Air Base, S. C. this morning and was to fly over Columbus, Delaware, Marion, Galion and on to Findlay.

The local observance Saturday will be climaxed by an open house observance at the Marion Engineer Depot. The annual program

will begin at 10 a. m. and will run through 4:30 p. m. Visitors to the installation will be taken on conducted tours of the Depot and transportation will be furnished.

Displays of Armed Forces equipment will be placed in the windows of the Frank Brothers' and Uhler's Department Stores, L. J. Melvin Weston, chairman of the Armed Forces Display Committee, announced.

Magazine Peddler Held For Fraud

Poses as Korean War Vet; Farmer Notifies Sheriff

For the second time in less than a month, a magazine salesman has been arrested by the Marion County sheriff's office after posing as a Korean War veteran to obtain subscriptions.

Norman Bridwell, 23, of Terre Haute, Ind., is being held at the county jail and will be charged with fraud today or tomorrow, sheriff's deputies said.

He was arrested after obtaining subscriptions from Marion County residents, deputies reported. He was arrested shortly before 11 p.m. last night when the sheriff's office received a call from a farmer near Marion.

Tells of 'Wounds'

Bridwell was accused of telling prospective customers he had been in Korea during the early part of the war and that he had suffered wounds from machine-gun fire. He was wounded in the stomach, he said.

Under questioning by deputies he admitted his only Army service was a six-month period during World War II, all of it spent in this country, and that his only stomach condition was ulcers. He listed the names of five companions who also are canvassing in Marion County. Deputies are attempting to locate them.

A spokesman at the sheriff's office said the subscriptions sold by Bridwell are perfectly legitimate.

Highlight of Marion Observance

Gen. Naylor Speaker At Armed Forces Dinner

Brigadier General William H. Naylor, assistant commanding officer of the 43rd Infantry Division at Camp Pickett, Va., will be principal speaker at an Armed Forces Day dinner tonight at Hotel Harding. The dinner is scheduled for 7 p. m.

Gen. Naylor was commissioned as a second lieutenant on June 29, 1929. He has held his present rank since Aug. 25, 1950. During World War II he served in the Pacific Theater and saw action at Guadalcanal, the Solomon Islands, New Guinea and the Philippine Islands. He was awarded four battle stars. His military decorations include the Legion of Merit and the Bronze Star with an Oak Leaf cluster.

Five Children

A native of Port Ewen, N. Y., Gen. Naylor makes his home at West Hartford, Conn. He is married and the father of five children. Two sons also are in the Army.

The dinner at the hotel tonight is one of the highlights of Armed Forces Week in Marion. The observance began Monday and will be concluded Saturday.

A flight on nine Fairchild Packets of northern Ohio's 433rd Troop Carrier Wing flew over Marion this morning in connection with the observance. The flight took off from Donaldson Air Base, S. C. this morning and was to fly over Columbus, Delaware, Marion, Galion and on to Findlay.

Sought To Shift Debate

Russia Fails In U.N. Move To Kill Red China Embargo

NEW YORK, May 17—(AP)—Russia failed today to shift debate on a proposed world arms embargo against Red China to the United Nations Security Council, where a Soviet veto could kill it.

The question was settled without a vote in the General Assembly's 60-nation political committee.

After the Soviet Bloc announced it would not participate in the committee's discussion on the ground that the Security Council was the only competent agency to debate the question.

However, Russia's Jacob Malik insisted that the was not asking the committee to vote on the question of competence. Chairman Roberto Arbenz-Urdaneta, Colombia, then gave the floor to U. S. ambassador Ernest Gross to introduce the embargo proposal.

The Soviet Bloc delegates remained in their seats.

Suspect In Murder Held

Fred Clark Brown, 24, of Cleveland is being held in the Morrow County jail as a suspect wanted in Detroit for a murder which happened there Jan. 19, 1947.

Cpl. Tom Morgan, commander of the Marion state patrol substation, says Brown is being held pending investigation of him in Cleveland and Detroit. His name, age and police description are the same as those of the wanted murder suspect, patrol investigations have revealed.

Brown was arrested by the state patrol near Mt. Gilead at 5 p.m. yesterday when he was stopped on Route 42. Patrolmen discovered that a car he was towing behind his car had fictitious license plates. Arraigned before Mayor R. R. Bennington at Mt. Gilead he pleaded guilty and was fined \$50 and costs which he could not pay. He was lodged in the Morrow County jail until he could arrange to pay his fine.

It was then patrolmen noted his similar ties with the wanted murder suspect.

After making his objections, Malik said:

"In view of the lack of competence of the General Assembly in this, the Soviet Union will not participate in consideration of this question."

It was not immediately clear at the time whether Russia would walk out or would remain in the room and listen in silence.

Poland's Juliusz Katz-Suchy quickly supported Malik's stand as the committee chairman, Robert Arbenz-Urdaneta, announced he would put the question to a vote.

No Comment

Before the meeting began Malik, having declined comment on a magazine (Newsweek) story that he had approached U. S. delegates proposing a Russia-U. S. conference to arrange a Korean peace.

U. S. delegates Warren R. Austin and Ernest A. Gross, named in the story as the Americans approached, denied the story without reservation.

Malik, in his attack on the assembly's handling the embargo proposal, reiterated past statements that the U. S. was engaged in aggression against Korea and Red China, and declared the embargo would not halt the conflict.

20 Men Leave For Army Induction

Twenty Marion County men left for induction into the Armed Forces today. They reported to Fort Hayes at Columbus where they were to be sworn in later this afternoon.

The local draft board announced today that the deadline for college students to file applications for college qualification tests had been extended from May 15 to midnight May 25. College students may file for draft deferment examinations.

96,000 Reds Hit U.N. Line; Yanks In Counterattack

TOKYO, May 17—(AP)—Waves of attacking Chinese Reds failed today to break through the main United Nations defense line.

The Chinese smashed a hole in South Korean ranks and streamed through, but Allied troops rushed up and plugged the gap by nightfall.

Waves of Chinese stormed U. S. positions. But every time the Americans were pushed off a hill they counterattacked to recapture the high ground.

The actions were along the east-central front, hottest sector of the 75 mile wide battleground.

Field dispatches said 96,000 Chinese were attacking in the 25 mile length of the east central sector in the opening stages of an all-out communist offensive.

25,000 More Gathering

Another 25,000 Reds were reported gathering strength on the Pukhan valley invasion route on the west central sector. Slithering Chinese had crept close to American lines at the junction of the Han and Pukhan Rivers despite ceaseless aerial and artillery punishment.

Far to the west erupting attacks and mounting pressure threatened a major advance toward Seoul might be tried later.

All along the line Red reserves were packed deep behind the bugle blowing assault units.

Front line officers said Red strategy appeared to be to hit the center of the line regardless of losses.

Communists attacked relentlessly. U. N. planes, artillery and mine field took a heavy toll.

"We are killing them by the thousands," a U. N. air officer said.

Artillery batteries fired at a record pace. "We are not firing except at groups of 100 or more," an artilleryman said.

The U. S. Eighth Army estimated Communist Casualties Wednesday at 3,582. The Fifth Air Force said it added 850 Thursday in 617 combat strikes before 6 p. m.

Heaviest Fighting

Heaviest fighting was on a 25-mile sector of the east-central front from Chuncheon to Inje.

The Chinese breakthrough was south of Inje, north of the 38th parallel. Two South Korean divisions were reported retreating before the Red onslaught. Elements of two Chinese regiments had slipped through the gap in the Republican ranks.

Every field dispatch referring to the breakthrough was heavily censored. AP Correspondent William C. Barnard on the east-central front reported the break exposed the flanks of other Republican units. He said these troops were gravely threatened.

South Koreans to the west gave ground under heavy pressure.

Still farther southwest, in the neighborhood of Chuncheon, Americans generally held their positions. In one instance U. S. troops counter-attacked.

American lines were denied in spots.

The Communist version of the battle was broadcast by Pyongyang radio in North Korea. It said Reds "are successfully punishing savage American and British aggressors all along the front."

The attack began on the east coast Wednesday and exploded westward. AP Correspondent N. Polewetzky compared it to a string of firecrackers exploding as the flame crept along the coast—for 65 miles.

From east to west front line:

OKINAWA, May 17—(AP)—Should the United Nations strike at Communist bases in Manchuria?

Many Air Force men at the big bomber base here—the men who would do the job—are not convinced it's a good idea.

They are not sure the benefits of any such move would outweigh the drawbacks.

Here is the way many said they see the problem:

If U. S. bombers were assigned to hit Red targets north of the Yalu River border of Korea, they could do serious damage to the Communists' war effort.

Many enemy air bases could be put out of operation. Much of the Communist supply network feeding Red field armies could be disrupted. Communist supply points and production centers in Manchuria could be destroyed. Troop movement far behind the front could be harassed and slowed.

Air Force men agree such attacks would be of tremendous help to the U. N. armies fighting on the ground in Korea. It would certainly make the Eighth Army's job of killing Communist soldiers a good deal easier.

If that were the whole story, Air Force men say, there would be no doubt about the military advantages of bombing Manchurian bases.

But there is another side to the purely military problem of any venture north of the Yalu by Allied air power.

Author Kenneth Roberts Will Lecture Friday at Wesleyan

DELAWARE, O.—If there is such a title as "champion dowser," it belongs to Henry Gross, a game warden from Biddleford, Me., at least in the estimation of Kenneth Roberts, famous American author.
Roberts, whose book about Gross, "The Man with a Dowsing Rod," has just been published, will appear on the Ohio Wesleyan University Lecture series here at 8:15 p. m. Friday, May 19, in Gray chapel.
To prove all claims he has made regarding Gross' water-finding abilities, Roberts has engaged the dowser to accompany him on his visit here.
In fact, arrangements are being made to find a farmer in Delaware county who has had trouble locating a well on his land. Roberts says that if there is underground water on the property Gross will find it.
A dowsing rod, referred to in many sections as a divining rod, is an angular stick used as an aid in discovering water.
Gross claims he can work any time of the day with "any kind of stick, grass, wire, or old corset stays as a dowsing instrument." He adds that he is accurate to the inch and that he asks the stick

Pleasant Sets Commencement

Twenty-three members of the senior class of Pleasant Township High School will receive diplomas in commencement exercises to be held tonight at 8:15 p. m. in the school auditorium.

Speaker for the occasion will be Clyde E. Lewis of Delaware, prosecuting attorney of Delaware County.

The processional will be played by Dallas Cornett at the piano, and the invocation will be spoken by Rev. Wilbur Budke, pastor of St. Paul and Trinity rural Lutheran Churches. Special music will be provided by the Buckeye Four Quartet, composed of Hubert Hoch, William Busch, Arthur Ward and Robert Heimlich. Presentation of special awards will be by E. E. Banning, school superintendent, the class will be presented by Merton B. Porter, class advisor, and diplomas will be awarded by Harley A. Mayers, clerk of the school board of education.

4-H Club News

A Mother's Day party was held recently for the mothers and daughters of the Green Camp Junior Busy Bees 4-H club by their advisors, Mrs. Vivian Converse and Mrs. Ruth Wolfinger. The program was given by the 4-H girls, and a talk was given by Miss Lois Simonds. Gifts were presented 18 mothers and Miss Simonds.

Plans were made for a skating party May 25 at a meeting of the New Bloomington Shining Stars 4-H Club recently at the New Bloomington School. Refreshments and a social hour followed the business session.

LOST 40 LBS. and 8 INCHES FROM BUST, WAIST AND HIPS

"Rennel Concentrate has helped me in many ways," writes Blanche Kidd, R. S. Marietta, Ohio. "For many years I had been troubled with being overweight although I was careful of what I ate because of gall bladder and stomach trouble. I would lose half the night, and could get no rest at all. Since using Rennel I am an entirely different person. I have used four bottles of your fine product and now eat everything I want. I have lost 40 lbs. and 8 inches around my bust, waist and hips. I now sleep and rest all night, do my house work and I no longer am disturbed with stomach trouble. My nerves are much better, and I feel more rested. I am 58 years old and the mother of eight children. It's amazing how quickly you can lose unsightly fat at home. Obtain 4 ounces of liquid Rennel Concentrate at your druggist. Pour this into a pint bottle and add enough grapefruit juice to fill bottle. Then take two table-spoonfuls twice a day. That's all there is to it. No diets to complicate your meal planning. If the very first bottle doesn't show you the simple easy way to lose ugly fat and help regain slender, more graceful curves, just return it for your money back. Note how quickly bloated disappears—how much better you feel. Insist on Rennel."

LIMA FIRM UPHOLD
CLEVELAND, May 17—(AP)—Reversing a bankruptcy referee's decision, Federal Judge Charles J. McNamee ruled yesterday that a Lima, O., power shovel manufacturer was entitled to \$63,000 from a bankrupt Akron firm. He held that the Lima-Hamilton Corp. should be given a prior lien of \$63,000 against a fund of \$68,000 realized from sale of a shovel after the Spruce Fork Coal Co. of Akron went bankrupt.

Marion Host To Deanery

Pastors of the Western Deanery of the Diocese of Columbus discussed plans for the work of the St. Vincent de Paul Society in the various parishes. At a meeting held in St. Mary rectory Tuesday afternoon, Host for the meeting was Very Rev. William J. Spickerman, V. F., pastor of St. Mary Catholic Church, and dean of the Western Deanery.

Plans were outlined for the organization of a St. Vincent de Paul Society in the various parishes and outlining the work for societies already organized. The work of the society is to care for the needy not only of the Catholic faith but those of other faiths. The parish societies will be organized and plans for activities under way within the next 10 days, it was planned.

Rev. Lawrence Corcoran, assistant superintendent of the welfare department of the Diocese of Columbus, was in charge of the conference. Pastors present were Rev. William C. O'Brien, of St. Mary Church, Delaware; Rev. Francis Hickey, Immaculate Conception Church, Kenton; Rev. Carl Heilman, St. Joseph Church, LaRue; Rev. Richard Hoch Our Lady of Lourdes Church, Ada; Rev. Aloysius Dillon, St. Matthew Church, Mt. Gilead; Rev. Leonard Falvey, Our Lady of Lourdes Church, Marysville; Rev. David Powers, St. Patrick's Church, London; Rev. William Meyer, Sacred Heart Church, Milford Center; Very Rev. William J. Spickerman, V. F., Rev. Hugh Murphy and Rev. Urban Wiggins, assistant pastors, St. Mary Church, Marion.

The meeting was followed by dinner furnished by the Daughters of Isabella.

UPPER SANDUSKY MAN WED
UPPER SANDUSKY—Charles F. Baldof, son of Mr. and Mrs. Charles E. Baldof of Upper Sandusky married Miss Florence Roberts, daughter of Mr. and Mrs. Edward Roberts of Detroit, Mich. They were wed in the Precious Blood Catholic Church in Detroit. The bride has been employed as a clerk in the long distance office of the Michigan Bell Telephone Co. in Detroit. The bridegroom is employed at the Sheldrick Manufacturing Co. in Upper Sandusky.

As Mr. Olsen, the rotund, efficient manager of the Hotel Lansfield, put down the telephone receiver, he looked at my father inquiringly.

"I thought that would be best for the present," he said, "until we can think out something."

My father gave him a heartening smile.

"I think you are a mind reader," he said. "You have done exactly as I wished, only I wish you to make that injunction permanent. As long as the child and the people caring for him are in the Veritzen suite, I want that roof garden closed to the public. I want only one man to go up and keep it in order, one who can be trusted. Tell me. How far is it from any other building?"

"A long way sir."

"Then, I should imagine that our guests in the owner's suite might get their daily exercise there. But I must go up and inspect it before I leave today. Can it be seen from any other rooms beside the owners suite?"

"No, it is on the very top of the building, and covers everything except the Veritzen suite and the rooms below it. No one in those lower rooms could see anything up there."

"Splendid," my father said, and Dicky moved toward the door.

"If you don't mind," he said, "I think I'll go into the living room, receive Adams, and bring him down here immediately. In that way we'll save time."

"Good lad," my father-in-law told him, smiling, and Dicky loped toward the door, closing it after him.

"I'd like to get everybody away from the roof garden as soon as possible," my father said.

"If there's anybody up there," Olsen said, "I can have Adams give the same story of leaky faucets and the fear of a flood along the floor."

My father smiled his approval, and then Dicky's knock sounded on the door, and he came into the room, bringing Adams with him. Adams greeted my father and me cordially, and then turned to the hotel manager.

"There were only three people up there," he said. "And I thought

I might as well give them the fairy story about leaky faucets. They lost no time in getting out, so the coast is clear."

"You did exactly the right thing," Olsen commended. "Go down now, and be sure all passages to the roof garden are closed."

"Okay," Adams said, and when he had gone Olsen looked at my father.

"Would you like to inspect the roof garden now, Mr. Spencer?" he asked.

"Yes, I should, decidedly," my father said. "Richard will come with us, as soon as you have escorted my daughter back to the living room. She, of course, will have to see to the luncheon, or I should insist upon her coming with us."

He smiled at me as Dicky helped me to my seat, and ceremoniously escorted me down the hall, with my father and Mr. Olsen waiting for a last word before following us.

"I love to have you squiring me," I whispered mischievously to my husband, "but wouldn't you think that once in a while Father would consider me capable of

coming down a hall by myself?" "Never," Dicky said with decision, "so don't get ideas in your head. When Dad makes a decision, it's made for good, and you'll be escorted around with formality as long as he has anything to say about it."

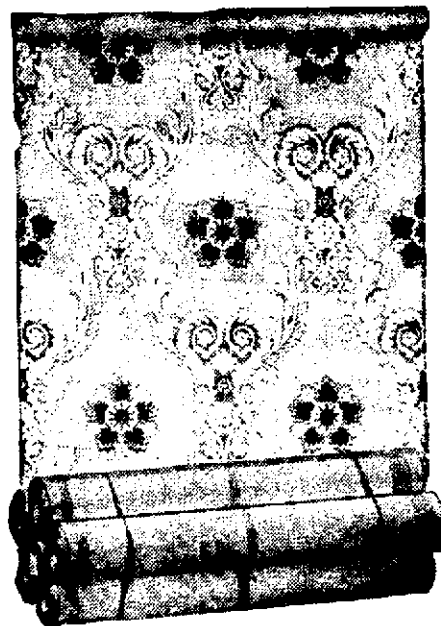

OHIO GENERAL DIES
COLUMBUS, May 17—(AP)—Brig. Gen. George Florence, who reorganized the Ohio National Guard when he was state adjutant general, died yesterday at 73. General Florence, who served during the administration of the late Gov. Harry L. Davis, had been in ill health for three years. He was state adjutant general from 1921 to 1927.

Marion School Not Affected

COLUMBUS, May 17—(AP)—The state public works director said yesterday a government order requiring builders to get authority for using more than 25 tons of steel in a construction job should not affect four contemplated projects in the state.

The four are: the Hamilton receiving hospital; the Scioto receiving hospital; a Lima unit for psychopathic offenders; and the Marion training school.

Director Samuel Linzell said an office is being established in the state architect's office to handle construction applications and clear them with the national production authority.

However, Linzell added, a proposed Ohio University student union building and a fieldhouse at Ohio State University may be affected by the order.

The director said the building of various highway department garages may be ruled out by the order, but added that redesigning of the garages is being considered.

Your Good Health

By DR. HERMAN N. BUNDESEN
Result of Mild Depression, Abdominal Pain

The complex nervous and physical symptoms from which so many women suffer just prior to the regular periods is known as premenstrual tension. Symptoms vary from mild depression to more or less severe emotional upsets, and also include, in many instances, pain in the abdomen, headache, sickness at the stomach and vomiting. In most cases there is painful swelling of the breasts.

It has been suggested that this premenstrual tension is a result of an imbalance between two secretions formed in the body, one known as estrogen, and the other as progesterone. It is thought that the symptoms occur because there is a relative excess of estrogen and not enough progesterone. Hence, treatment consists in correcting this imbalance by giving a substance known as chorionic gonadotropin, which stimulates the secretion of progesterone.

One of the striking manifestations in premenstrual tension is increased appetite, a craving for sweets, and trembling of the

hands, all due to a decrease in the amount of sugar in the blood.

An excess of estrogen causes fluids to collect in the body tissues. This is probably the cause of the bloating, abdominal pain, sickness at the stomach, and pain in the breasts, as well as the headaches which occur during the premenstrual periods.

In treating the condition in a group of patients, benefit was obtained by giving injections of the chorionic gonadotropin three a week for the last two weeks before the menstrual period was expected. The salt in the diet was limited, the patients were given a diet rich in protein foods, such as meat, milk, and eggs, with limited amounts of starchy foods and sweets. In some cases, the patients were also benefited by thyroid extract and the use of B-complex vitamins.

With this treatment, large numbers of patients are benefited, and many obtain complete relief from their difficulty.

Questions and Answers

F.E.S.: If a person becomes negligent with his diet, could it result in an attack of inflammation of the gallbladder?

Answer: It is not clear what is meant by "negligent with his diet." Gallbladder inflammation probably would not result from this cause alone.

Marion's "4 Horsemen" Parted By Battle Wounds In Korea

Two of Marion's fighting "Four Horsemen" are still together in combat in Korea and the other two, both hospitalized with wounds, are trying to get together back in Japan, the parents reported today.

The last one wounded, Pvt. Norman E. Lord, son of Mrs. Mabel Lord of 550 North State street, who was shot in the finger by a Communist bullet April 10, expects to be out of the hospital in two or three weeks, he wrote in a letter May 9.

Pvt. Otha A. "Al" Ralston, son of Mr. and Mrs. O. A. Ralston of 284 North State street, first of the "Four Horsemen" to be wounded was scheduled for transfer to a new camp this week, he wrote his parents.

Mrs. Lord says her son who is at Osaka on the main Japanese island of Honshu is trying to get in touch with his buddy, Private Ralston, who was last at Camp Hakata at Fukaoka on the island of Kyushu, about 400 miles away, but who shortly was to be transferred to Camp Drake, Japan, when he wrote last.

Pfc. William H. Vance and Pfc. Arthur Lust, the other two of the "Four Horsemen" are still together in Seoul digging trenches and laying barbed wire, according to letters received yesterday. Vance is the son of Mr. and Mrs. Clyde H. Vance of

Keytown Camp, south of Marion and Lust is the son of Mr. and Mrs. Elmer Lust of Linn Road. The four were dubbed the "Four Horsemen" by their Army buddies because until wounds parted them recently they stayed together from the time they were drafted right through basic training and combat, after being long-time friends in civilian life, a rare thing in the military.

Bucyrus Hospital To Get Rate Hike

Special to The Star

BUCYRUS, May 17—City council authorized the preparation of legislation providing for an increase in room rates and laboratory fees at City Hospital at its meeting Tuesday night.

Councilmen approved the report submitted by the hospital finance committee, which recommended \$1 per day increases for private and semi-private rooms and 50 cents per day increases for wards. Most laboratory fees would be raised about 50 cents.

Solicitor R. B. Spurlock was authorized to draw up the necessary legislation for passage at council's June 5 meeting.

New rates for private rooms will range from \$10.50 to \$12.50 while semi-private rooms will be \$8.50 daily. Ward patients will pay \$7 daily and babies in the nursery, while their mothers remain in the hospital, will be charged \$3 daily, a 50 cent increase.

The committee recommending the increases was composed of Mayor Frank P. Sittler, Safety-Service Director A. L. Winter and Councilmen C. V. Vollrath, James Frey and L. B. Thompson. The increases had the approval of Hospital Supt. Hale E. Stout.

Mayor Sittler said the new rates will be in keeping with charges made in hospitals of comparable size in this area.

Hogs need from 10 to 18 percent of protein in their ration.

State Director To Speak

Crippled Children's Society Dinner Set

Walter B. Underwood, executive director of the Ohio Society for Crippled Children, Inc., will speak in Marion tonight. He will be heard at a 6:30 o'clock dinner meeting of the Marion County Society for Crippled Children, at the Y.M.C.A. Present also will be Julian Gardner, director for the Northwest Ohio District of the organization. Moving pictures of the work of the society will be shown, and report of the nominating committee for local officers will be heard. Earl N. Hale is Marion County president.

Director Since 1927

WALTER B. UNDERWOOD

Mr. Underwood has been Ohio executive director of the crippled children's organization since 1927. Under his direction, a plan for county societies for crippled children was initiated in this state, with 71 such groups as affiliates of the state organization at present. These sponsor direct service programs for cripples in the communities.

At present, Mr. Underwood is directing attention to the Ohio Society's special projects for expanding services for epileptic persons, cerebral palsied children and children who have speech and hearing handicaps. He has local, state and national committees successful in many campaigns for legislation to provide handicaps.

The state-wide organization for services for the handicapped. In addition to his duties as director crippled children is a voluntary,

non-profit organization. An annual sale of Easter Seals provides the major portion of funds in support of services, plus contributions and refunds on sales tax stamps. The organization is governed by a voluntary board of directors elected by the membership. Special projects are guided by advisory committees and medical consultants. There is a trained staff to carry out the program.

Aims Of Society

One of 2,000 state and local societies for crippled children affiliated with the National Society for Crippled Children and Adults, the Ohio society seeks to secure and guarantee in this state for the physically handicapped, medical care, physical training, education, recreation, vocational guidance and training and employment. It assists in organization of county societies, helps bring knowledge of newer methods of treatment and care, and provides education and information through publications, speakers, exhibits, films, and other means, and supports legislative measures for the benefit of the handicapped.

Council, Water Company List Some Progress

Group Meets To Negotiate New Franchise With City

City Council and the Marion Water Co. both reported today satisfactory progress had been made at their first meeting last night to negotiate a new franchise. The question of water rates was not discussed.

Councilman Louis B. Conkle, chairman of councils utilities committee, headed the city's negotiators which included all council members except Councilman Harold Smith, 1st Ward, and Council President William G. Slack, who were absent.

Mr. Conkle said council and the water company made progress on the wording of the new franchise, which is for 25 years like the old one which expired May 4.

Still under consideration are the provisions of the franchise providing for the possible purchase by the city of the water company's local holdings. These provisions must be included in every franchise.

They will be discussed again at a future meeting between council and water company officials. This will be held probably a little over two weeks from now, Mr. Conkle said.

The entire question of the possible purchase of the water com-

pany by the city is still an open matter, Mr. Conkle said. "Nothing in these negotiations is a closed book," he added.

"The first aim of last night's first meeting and subsequent meetings will be to see if the city and the water company can agree on a franchise and rates. Our whole aim is to negotiate quietly and calmly to try to reach a satisfactory solution to this vital matter."

Jerome Powers of Richmond, Ind., president of the Marion Water Co., L. Otis Porter, local water company manager, and Henry A. Mickle and Theodore Frericks, water company attorneys, represented the utility. The meeting was held at 7:30 p. m. last night at Mickle and Frericks law office at 129 North Main street.

frontally and on the left flank of American units. The attack began with about 500 men in the early morning and grew to about 4,000.

Chinese emerged from abandoned gold and silver mines and streamed south along mountain trails. Their columns were well spaced, making poor targets for constant hammering by U.N. artillery and planes.

These Reds opened up at dusk with long range guns on U.N. troops on the north bank of the Han River. They used some mortars and howitzers and more were coming south on pack mules.

Probing Attacks

Chinese made strong probing attacks around Uijongbu, 11 miles north of Seoul and 20 miles west of Changdang.

To the northwest of Seoul, on the extreme western end of the line, North Koreans in battalion strength hit South Korean troops. The Reds pushed forward but fell back before dark when Allies counterattacked.

The Communist movements along this western sector occupied about a 10 mile stretch of the no-man's-land which has separated the two forces for two and a half weeks.

AP Photographer Ed Johnson on the east central front reported a reinforced Chinese regiment—about 2,000 men—was cut to pieces in the high mountains by Allied troops defending trails criss-crossing the country.

Johnson said one American company—about 200 men—tore up the regiment from hilltop positions.

Held as Suspect In Alter Slaying

COLUMBUS, May 17—(AP)—Police took a 24-year-old insurance salesman into custody today for questioning about the slaying of Mrs. Ruth Alter, a housewife.

He is a former acquaintance of Mrs. Alter, 32, who was choked and beaten to death in her home April 25.

Police said his description was similar to that of a man seen at the front door of the Alter home about the time the woman was slain.

Safety Director Donald Cook said: "We are optimistic there will be evidential proof against this man as the investigation develops during the day."

MARION HOME ENTERED

The home of Russell E. Moore of 370 Latourette street was entered last night at about 10:30 p. m. but nothing was taken, police said. Entry was gained by an unlocked back door and exit was made through a front window. The Moore family was next door when they heard a noise in their house. Mr. Moore investigated and he believes he frightened the burglar away, police reported.

Congressional Redistricting Up For Vote

COLUMBUS, May 17—(AP)—The first congressional redistricting bill in 38 years was ready for a vote of the Ohio House today.

The House elections committee recommended its passage, with only four amendments, last night. Whether it can weather the session-end storm remains to be seen.

The House elections committee recommended passage of compromise bill last night after only one hearing.

Amendments moved Seneca County into the 8th District instead of the 13th; restored Logan and Union counties to the 7th District along with the eastern half of Butler County—including Middletown—and put the western half of Butler County—including Hamilton—in the 4th District.

Fined \$400 For Selling Obscene Books

Albert Corwin, 56, of 348 South Prospect street, operator of the A & D News Store at 119 East Church street was fined \$400 and costs when he pleaded guilty today to the charge of selling obscene literature.

Corwin was arrested yesterday following a police investigation of his store.

Police Chief Tom Coon said he sent a representative of the police force into the A. & D. News Store yesterday at 3:30 p. m. and he made a purchase of an obscene magazine. Other police officers then walked in and made the arrest.

Several boxes of obscene magazines and pictures were confiscated by police. Corwin was held in Marion City Prison overnight in lieu of \$500 bond. He pleaded guilty to the charge before Judge W. Dexter Hazen in Municipal Court today and was fined \$400 and costs. He was taken to Marion County jail today when he could not pay the fine.

Richard Eugene Layman, 18, of 249 Chicago avenue was arrested on East Center street at 12:18 a. m. today and charged with speeding. He pleaded guilty to the charge in Municipal Court and was fined \$15 and costs.

mind when he told the conference:

"A suggestion was made by one senator the other day that we ought to cut down the goal of our armed forces by half a million men. At a time like this, such a cut would be very foolish."

"Slashing the size of our armed forces would not be an economy, it would be an invitation to war."

Taft told a U. S. Chamber of Commerce meeting here April 30 that the administration's goal of a 3,500,000-member armed force should be cut by 500,000 since he said it would be too big for the economy to support indefinitely.

Marion Firm Cited In NLRB Order

The National Labor Relations Board yesterday ordered the Marion Industries Division of Motor Products Corporation to withdraw recognition of the Federal Labor Union, No. 24758, A.F.L., The Associated Press reported from Washington.

The board also instructed the company to quit "discouraging membership" in the International Union, United Automobile, Aircraft and Agricultural Implement Workers of America, C.I.O.

Mortgage Loan Money Shortage Jolts Builders

WASHINGTON, May 17—(AP)—Money for home mortgage loans is vanishing across the nation—with a suddenness startling to builders and government officials alike.

Fear of a complete breakdown in new home building—smashing the dreams of potential buyers and threatening widespread unemployment among construction workers—was expressed at a meeting of Building men here today.

Concern was shown too—although not so intensely—in government agencies dealing with the housing situation.

W. P. Atkinson, Midwest City, Okla., president of the National Association of Home Builders, declared that disappearance of money to finance construction of homes has brought his industry to a crisis as serious as it ever faced.

Scientist "X" Suspended

MINNEAPOLIS, May 17—(AP)—Dr. Joseph W. Weinberg, identified as the mysterious "Scientist X" by House un-American activities investigators into atomic espionage, today was under suspension from the University of Minnesota faculty.

Dr. J. L. Morrill, president of the University, suspended the physics professor last night. Weinberg was cited for contempt last week in federal court in Washington, after refusing to answer grand jury questions on grounds of possible self-incrimination.

Morrill said he would recommend to the board of regents next month that the suspension be continued or that Weinberg be dismissed permanently, depending on developments in the case.

"Whatever his legal rights or the outcome of the pending litigation," Dr. Morrill said, "it is my belief that his judgment in this refusal to cooperate with federal authorities is incompatible with common sense and with a proper appreciation of his duty and obligation as a member of the university staff."

Gov't Funnels More Steel Into Defense

WASHINGTON, May 17—(AP)—The government today ordered steel mills to set aside sharply increased quantities of steel products for July delivery on defense orders.

In telegrams, the National Production Authority notified iron and steel producers that "an even larger share" of their output may be reserved for priority buyers in August to meet mounting defense demands.

The action apparently is part of a move to make deeper cuts in civilian use of steel and other strategic metals later this summer. Plans for that cutback will be unfolded to auto makers and other producers in 37 industries at a meeting here tomorrow.

NPA said today's order that more than half of all blooms, slabs and billets, reinforcing bars, hot rolled sheets, wire loop, and other standard items must be reserved for defense.

The set-asides range up to 75 percent of carbon steel plate, 68 percent of heavy structural steel shapes and steel piling, 80 percent of high grade electrical sheets and strips, and 95 percent of wheels and axles.

NPA said that while the percentage increases "appear high" in relation to 1950 output, there have been increases in production which are expected to leave "some tonnage available for civilian consumption."

Marion Man Hurt at O.W.U.

Marvin J. Ludwig, boys' work secretary at the Marion Y.M.C.A., is in Jane M. Case Hospital at Delaware today as the result of injuries suffered yesterday in a physical education class at Ohio Wesleyan University.

Ludwig, son of Rev. and Mrs. Harrison L. Ludwig of 232 East Church street, was taking part in a class on combative gymnastics when he slipped and fell to the gymnasium floor.

He was examined by Delaware physicians before being removed to the hospital where X-rays were taken. Hospital attaches today said he had suffered back and neck injuries. He is being listed as "serious" until a complete report on the X-rays is made.

Mr. Ludwig is a member of the senior class at Ohio Wesleyan.

but that they were obtained in a fraudulent manner.

The first case occurred last April 25 when Clayton Edward Briles, 22, of Gas City, Ind., was arrested after selling some \$50 worth of subscriptions. He posed as an amputee with one arm tucked inside his coat and said his feel also were frozen. He was arrested when a Marion County woman noticed his concealed arm and that he walked without a limp.

Briles was fined \$25 and costs and sentenced to 10 days in jail when he pleaded guilty to a charge of fraud. No date has been set for Bridwell's arraignment.

Soloist, Ensemble Present Numbers

600 Hear Harding Choir
In Annual Spring Concert

An audience of about 600 people heard the Harding High School choir when the 54-voice group presented its annual spring concert Tuesday night in the Edison Junior High School auditorium.

Under the direction of L. G. Jones, vocal music instructor in the city schools, the choir presented sacred numbers as its opening group of selections. Making up the remainder of the choir's program were semi-classical and novelty tunes.

Special numbers highlighting the program were a piano solo and songs by a boys ensemble. Miss Nancy Brethaupt, the choir's accompanist and piano soloist for the concert, played "Concerto in D Minor" by MacDowell. Accompanying her at another piano was Miss Emma Wehrle. As an encore, Miss Brethaupt played "Spanish Dance," by the Cuban composer, Ernesto Lecuena.

The boys ensemble is composed of Loren Heiser, first tenor, John Goff and Tom Indoe, second tenors, Lowell Jones, and Gary Snuffer, baritone, and Dean Ludwig, bass. They sang "Steal Away," a spiritual, "Those Pals of Ours," by Groaton-Cole, "We Meet Again," a college song, "Jim" by Parks, and "Dry Bones," an arrangement by Gearhart. Their encore number was "Poor Old Joe."

To open the concert program, the choir sang "Sing and Rejoice" by Will James. Others in the first portion were "Preserve My Soul O God" by Will James, "Honor and Glory" by Costa, "Guide Us Through the Night" by Ralph Williams, "Blessed Is the Man" by James H. Jones, and "Beautiful Savior" by Christiansen. An added number on this portion of the program, the choir sang, "Thine Is the Greatness" by Aschenbrenner.

The concluding group by the choir included a work song, "Wa-

ter Boy," arranged by Pitcher, "The Sleigh," by Kuntz-Nash, "The Playroom on Parade," by Luvass, "Weggis Song," arranged by Kones, and a choral adaptation of "Snow White and the Seven Dwarfs," by Milton James. As their final numbers, members of the choir presented "The Modern Choir" by Noble Cain, and the ever-popular "My God and I" by Sergei.

As a gift from the choir members, Mr. Jones received two traveling bags, and the boys ensemble group gave him a gift certificate.

Patrol Lists
Two Accidents

Two traffic accidents and four traffic arrests were reported today by the state highway patrol.

At 5:30 a.m. today a car driven by Charles Ross, 46, of Buffalo, N.Y., was damaged when it was caught and hooked on to the end of a semi-trailer it was passing, dragged a piece and then thrown loose on Route 42, three miles south of Mt. Gilead.

Identity of the other driver involved in the accident is unknown as the truck did not stop.

At 7:30 a.m. yesterday on Route 95, two miles east of Claridon, a car driven by Herbert Albright, 20, of Edison started to pass another car eastbound. The other car made a turn in front of him and to avoid hitting it, Albright ran off the road and hit a couple of trees causing minor damage to the front of his car. Patrolmen arrested Albright and charged him with driving with insufficient brakes. He was cited to appear before Judge W. Dexter Hazen at 10 a.m. Friday in Marion Municipal Court.

Other arrests reported by the patrol were: George Taylor, 39, of near Waverly, arrested at 11:30 p.m. yesterday on Route 23 for having no driver's license, pleaded guilty before Mayor L. E. Klingel at costs; and Robert A. Kraus, 24, of near Hamilton, arrested at 3 p.m. yesterday on Route 23 north of Marion, arrested before Justice of the Peace L. C. Schoenberger at Upper Sandusky on a charge of passing at the crest of a hill, he pleaded guilty and was fined \$10 and costs.

LOOKED SUSPICIOUS

CINCINNATI, May 17—(AP)—"He didn't seem to be having any trouble but it did look suspicious." That was the comment from police last night after they stopped the driver of a 1½-ton truck. The driver was a 1½-year-old boy. He had driven the truck away from a freight line parking lot. The lad was held for juvenile authorities.

Kills Self After Wounding Wife, Friend

CHICAGO, May 17—(AP)—A husband shot and wounded his estranged wife—a coed—and another man and then killed himself on the campus of Wright Junior College last night.

Two blasts fired from a .410 gauge shotgun by Fred Souers Jr., 19-year-old mechanic disrupted evening classes at the college. Some 200 students left their classes and rushed to the scene.

Pairs of one charge from the shotgun blast struck Miss Margaret Iden Souers, 25, and her friend Kenneth Tiader, 26, a roof-er. Their condition was reported as serious.

Then Souers, after removing his left shoe and sock, placed the mu-

zle of the shotgun against his abdomen, pressed the trigger with his toe and fired a fatal charge into his body.

Police said Souers had gone to the college in an attempt to effect a reconciliation with his wife, who had filed suit for divorce. The couple parents of a 3-year-old daughter, had separated seven weeks ago.

Bradley

(Continued from Page 1)

posed the question put to Bradley by Senator Wiley (R-Wis) was somewhat too broad. The Ohioan said it might have been better to ask Bradley more specific questions.

After Acheson

In the face of the conceded committee setback, Knowland said he is going to demand to know if Acheson piloted what the California senator called a reversal of military policy when President Truman ordered U. S. armed forces into Korea.

Knowland told the Senate yesterday that a few men meeting in the Blair House late last June put the country into war without consulting Congress.

Military leaders have told the committee Korea is not a good place to fight and Knowland said that for perhaps good or perhaps bad reasons "the decision and judgment of our responsible military authorities was reversed."

"Was that change suggested by the Department of State?" Knowland asked. "If so, what the Secretary of State said at those meetings is pertinent."

"Are we to have an Iron Curtain lowered at that point and are we to be told that the relationship existing at those meetings was a confidential one inasmuch as the Secretary of State then was advising with the President?"

Democrats met Knowland's Iron Curtain charges with the assertion that Bradley has promised to give the committee any pertinent information about the conferences preceding MacArthur's ouster as Pacific Commander.

Weber Awaits Jail Sentence

NEW YORK, May 17—(AP)—Numbers racketeer, Louis Weber, was convicted last night of lying to the U. S. Senate crime probe committee about his relations with James J. Moran, ex-convict and former Mayor of New York.

Weber, 51-year-old native of Puerto Rico, will be sentenced on the perjury conviction in federal court tomorrow.

He can get up to five years in prison and a \$20,000 fine—the maximum imposed on Moran in the same charge.

The two perjury trials were the first prosecutions growing out of the Senate committee's sensational televised hearings here.

The cases hinged on the number of times Weber visited Moran at his office when Moran was first deputy fire commissioner from 1946 to 1950.

Moran swore to the committee that there were no more than six visits. Weber testified he did not even know Moran. Government witnesses told of more than 100 visits.

GUTHRIE IMPROVING

Galion Council To Buy Police Car

Special to The Star
GALION, May 17.—Although city councilmen suspended the rules to pass an ordinance authorizing advertisement for bids for the purchase of a new police car, Tuesday night, several councilmen criticized the manner in which the Galion police cruiser is operated. They pointed out that the city now has two cruisers, the last of which was purchased in January 1950 and which is in worse condition than the first car bought several years ago.

Councilmen said that the cruisers are in poor condition, and not taken care of properly. They questioned where to place the responsibility for operating the cruiser, and its care, and suggested that patrolmen be schooled in proper driving of the car. The ordinance was passed.

Finance committee reported that a raise in pay for firemen and policemen is not feasible at this time. Men in these departments had recently petitioned Council for a raise. The committee also turned down payment of a claim to Mrs. Bernice Wells for damage to a car when the city oiled streets last summer.

LADIES AID CIRCLE

Circle One of the Ladies Aid Society of First Evangelical United Brethren Church met Tuesday at the home of Mrs. Anna Zuppan of 204 Lake street. Devotions and prayer were given by Miss Gweneth Coler, Mrs. Becky Jones was elected chairman, Mrs. Edith Craven, assistant chairman, Miss Coler secretary, Mrs. Fern Roberts, treasurer; Mrs. Zelda Cramer, reporter; Miss Verne Weaver, collector of dues; Mrs. John Stock and Miss Fern Weaver, devotions. Contest honors went to Mrs. Dorothy Schwaderer and Mrs. Edith Craven. Refreshments were served.

135 Bucyrus Railroaders To Be Laid Off

Special to The Star

BUCYRUS, May 17.—A sharp curtailment in traffic over the Corning-Toloco division of the New York Central railroad and the furloughing of approximately 135 local employees was announced today by W. N. Clark, N.Y.C. trainmaster here.

Mr. Clark said about 70 conductors and brakemen, 50 engineers and firemen and 15 maintenance workers will be furloughed within the next 30 days. Some of the older men with high seniority are being absorbed by the western division of the railroad at Columbus, the trainmaster reported.

Reduced consumption of coal has resulted in a sharp decrease

in traffic over the railroad branch here, which runs from Corning to Toledo. Most of its traffic is transportation of coal from southern Ohio mines.

The new diesel locomotives also are partially responsible for transfer of the traffic to the road's western division, Mr. Clark said. Diesel-powered freights move more efficiently and profitably on its western division.

The curtailment will result in only about 100 operating and office employees remaining in the yards here.

Blind Galion Man Gets Braille Watch

GALION.—Harry Davis was honored at the meeting of the Galion Lions' club, Tuesday night, when he was presented with a Braille watch as an achievement award for production of brooms. Davis, a local blind man began his broom business under sponsorship of the Galion Lions' Club several years ago. Presentation was made by George R. H. Clark, field supervisor of manual shops, State Department of Public Welfare, who was guest speaker at a dinner-meeting Clark is blind himself. He told of the accomplishments of the blind, and of the many services available to these handicapped people by the State Welfare Department.

SPRED SATIN

THE WONDER PAINT

We are told by The Glidden Company that the secret behind Spred SATIN is its exclusive synthetic rubber emulsion base. All we know is that if you haven't tried it yet, you're due for a pleasant surprise. Here's what you'll find—

- Goes on perfectly over walls, ceilings, woodwork. No laps, no brushmarks!
- If you miss a spot, touch it up later. You won't see a trace.
- Dries in 20 minutes; has no offensive odor. Paint comfortably with windows closed.
- Gives you a gorgeous satin finish that dirt can't cling to. Stains, smudges, marks wash off in seconds—again and again.

Delaware White Shrine Members Guests at Temple

Marion Shrine 15, White Shrine of Jerusalem was hostess Monday night to members of the Delaware Shrine, at a meeting held at the Masonic Temple. Marion Shrine initiated the Delaware Shrine one year ago, and in observance of Mothers Day, invited them to attend the meeting. Fourteen officers and members attended.

During the evening new supreme appointments were announced as Mrs. Evelyn Williams, supreme material objective chairman of district 5, John Ester, deputy supreme warden of shepherds; Mrs. Hallie Pattongale, worthy high priestess of Delaware appointed supreme queen attendant; Mrs. Alice Cressap, high priestess of Marion Shrine 15, as supreme matron of honor; Evan Jones, watchman of shepherds at Delaware and Foster C. Miller,

watchman of shepherds of Marion as supreme King's guards.

A report of the supreme session held in St. Louis last week was made by the Marion delegate Foster Miller.

The new district 5 deputy is Mrs. Ruth James of Columbus, as announced at the meeting.

Following the meeting a program was presented with three girls from Carlington, Betty Wier, Peggy Walter and Mary Lou Cochran, giving an instrumental trio number; two readings by Mrs.

RICHARDSON Root Beer

Beats the Heat

Blanche Sprang, also of Carlington and two piano solos by Miss Janet Geddis.

Upon conclusion of the evening refreshments were served. The next meeting will be a ceremonial during which initiation of new members will be held.

Only Kroger Hot-Dated Coffees
Give You That Roaster-Fresh,
Grinder-Fresh Flavor and Aroma!

Fed up with high coffee prices? Save on Kroger Hot-Dated Coffees, and enjoy roaster-fresh flavor and aroma. M-m-m! Kroger Spotlight is fragrant and mellow; Kroger French Brand is full-bodied and vigorous. Choose the one to suit your own taste. But remember, both coffees have that roaster-fresh flavor because they're Hot-Dated at the roaster. That Hot Date on every bag is your guarantee of fresh coffee. Both coffees keep that fresher flavor because it's sealed-in the whole bean, then ground at the store right before your eyes. Millions say: "Kroger Hot-Dated Coffees are the freshest and most delicious, and the best values!"

Green Camp

Forty members of the Linden Baptist Church youth fellowship will be guests of the Green Camp junior and senior B. Y. F. next Sunday afternoon. A program has been planned for the afternoon. The Columbus group will be accompanied by Tom J. Bevins, superintendent of the young people's department.

Eighth grade commencement exercises of Green Camp school will be May 22 at the township hall. Members of the class are Bill Carey, Becky Converse, Louis Finch, Gloria Ganson, Hazel Hendrickson, Myrna Long and Joyce Willey. Miss Mary Margaret Selanders is the home room teacher. The annual school picnic sponsored by the P.-T. A. will follow the eighth grade commencement exercises.

Playground equipment recently purchased by the P.-T. A. has been installed on the school grounds, Cicero Diehl, chairman of the finance committee, announces. The group purchased a merry go round, a sliding board,

climbing tower, two basketball back boards, and a see-saw.

Bucyrus

Holy Trinity Catholic Women's Study Club observed the 25th anniversary of its founding here Monday with a dinner party at the Hotel Elberston. Special tribute was made to Mrs. John M. Dostal, club organizer and its first president, and to Miss Margaret Liggett, secretary-treasurer of the group for the past 24 years. Miss Liggett was presented a leather brief case.

Mrs. Myrtle E. Snyder, manager of a credit bureau here, was re-elected president of the Bucyrus Business and Professional Women's club Monday. Other officers are: vice presidents, Mrs. John Stuckert and Mrs. Paul Outhwaite; recording secretary, Mrs. B. L. Hatfield; corresponding secretary, Miss Esther Wagner; treasurer, Mrs. Kenneth Cook; director, Miss Mary Eisinger.

New Bloomington

The Mother-Daughter banquet at the New Bloomington Methodist Church was held May 11, sponsored by the Friendly Circle class and Youth Fellowship. The men and boys from the classes sponsoring the banquet served the dinner. The welcome to the mothers was given by Miss Jodene Nelson, and the response was given by Mrs. V. G. Pfeiffer. Pink carnations were presented the eldest mother, Mrs. George Everett; the youngest mother, Mrs. V. C. Kinsler Jr., and the mother of the largest family, Mrs. Huey James. Mrs. E. J. Wickert, a missionary from Cuba was guest speaker. Her topic was "Mothers." Elizabeth Witnow, program chairman, presided.

Galion

A film, "A Turn in the Road," was shown at the meeting of the Peace Lutheran Aid Society Thursday. Mrs. Carl Baehr presided, and the group voted to give \$100 to Lutheran World Action. Devotions were led by Rev. Philip E. Auer. The program was given by Nickie Pry and Teddy Hines of Crestline.

A tribute to Mothers was given by Mrs. J. D. Swords when she assisted Mrs. M. E. Shank in entertaining the Junior Circle, Child Conservation League. Mrs. Ralph Livingston presided. The group heard reports of the spring conference by Mrs. Harley Hersher and Mrs. Murrell Longstreth.

grand chief, was the inspecting officer. Guests were present from Crestline, Mt. Gilead and Mansfield. A welcome was extended by Irene Phillips, most excellent chief. She presented Mrs. Lenora Muntz of Mansfield, and Mrs. W. G. Staub, past deputies. Mrs. O'Neil was presented by Dorothy Bateman. A gift for her work was presented to Mrs. O'Neil by Mrs. Staub. Talks were given by Miss Phillips and Mrs. Charles Farnworth, and the six new members who were initiated.

The Child Welfare Circle met recently at the home of Mrs. William Herpich. The program was presented by Mrs. W. E. Lett, Mrs. Rolland Flowers, and Mrs. R. B. Wiseman.

Carey

The regular meeting of the Carey M. B. Club was held Thursday in the home of Mrs. Charles Ruffing of near Carey. There were eleven members present.

SAY IT WITH COLA For delicious dessert.

By CECILY BROWNSTONE
Associated Press Food Editor

Chances are you'll be having lots of soft drinks around Memorial Day for family and guests. But if you want a new dessert trick you might try using the cola variety in a special dessert. Here are two ways to dress up fruit with this favorite American flavor:

COLA APPLESAUCE DESSERT

Ingredients: 1½ cup cola beverage, 2½ tablespoons cornstarch, 1 No. 2 can applesauce, 1 teaspoon cinnamon, ¼ teaspoon nutmeg, ½ cup raisins (rinsed in hot water and drained), 1 teaspoon grated lemon rind, 1 tablespoon lemon juice, ½ cup broken nuts.

Method: Mix cola beverage into cornstarch gradually, stirring until smooth; cook over low heat until mixture begins to thicken. Stir in lemon rind and juice. Pour into serving dishes. Sprinkle each serving with nuts. Chill and serve with sweetened whipped cream. Makes 6 servings.

COLA PINEAPPLE SUPREME

Ingredients: 6 slices canned pineapple, 1 orange (thinly sliced with rind left on), 6 marshmallow candies, ½ cup pecan halves, ½ cup pineapple syrup, 1 cup cola beverage, mint leaves.

Method: Arrange pineapple, orange slices, cherries, and pecan halves in oblong baking dish. Mix pineapple syrup and cola beverage together and pour over fruit and nuts. Allow to stand

Y Sponsoring Day Camp

The Marion Y.M.C.A. will sponsor its first day camp for children during the coming summer months. Marvin J. Ludwig, boys' work secretary, announced today. Two camping periods, capable of accommodating 40 campers each period, have been set up. The first period will be held July 9 through July 20 and the second from July 23 through Aug. 3. The camp will be set up on the 40-acre site of the Marion Rod and Gun Club four miles from Marcellus.

The site was secured for use of the camp by Jack Weiss, a member of the local Y and of the day camp committee. Rev. Ashley G. Booth is chairman of the committee and Walter Grumblatt, another committee member, has offered to donate sanitary facilities for the two periods.

Boys and girls aged seven through twelve will be eligible to attend the sessions. The groups will leave the Y at 9 a.m. and probably will return around 4:30 p.m. Two men and one woman counselors also will make the trip.

Mr. Ludwig said fees for the periods would be \$8.25 for Y members and \$9.25 for non-members. These fees will include transportation to and from the camp site daily, trips and program activities and insurance for the campers. Activities at the camp will include trips, swimming, nature lore, hiking, handicraft, outdoor

GALION HOSPITAL BIRTHS

GALION—City Hospital births: a daughter, born Tuesday to Mr. and Mrs. Gerald O'Leary of Crestline; a son, Monday to Mr. and Mrs. James Benedict of Marengo; a son, Monday to Mr. and Mrs. Edward Rymal of Galion; a son, Monday, to Mr. and Mrs. Charles Conrad of Crestline.

COOPER POST MEETS

A "farewell party" was held by Cooper Post No. 184, W.R.C., Tuesday at the American Legion Dugout. Beginning next month, the group will have a new meeting place, the Grotto Hall on West Church street. Dinner was served, with places laid for 18, and a Mother's Day program was held. Tables were decorated with flowers in honor of all mothers. Mrs. Hazel Schiller presented piano solo, and readings were by

Mrs. Veria Young, Mrs. Fern Lamb and Mrs. Blanche Hartpence. An original poem was presented by Mrs. Priscilla Connell. Patriotic readings were by several members under direction of Mrs. Connell, patriotic instructor. During business, two applications for membership were received. The convention in Toledo June 12-16 was discussed. Meetings in the future will be held the first and fourth Fridays of each month. The next meeting will be June 1 at 2 p.m. in the Grotto Hall.

A&P

Did You Ever Stop to Think Why A&P Coffee Is Custom Ground?

Grandma Knew the Reason!

Remember the wonderful aroma that filled Grandma's kitchen when she ground coffee beans in her little hand mill? Remember the wonderful flavor of the steaming brew she made from that freshly ground coffee? No factory-ground coffee could ever smell so fresh or taste so rich, because no coffee ground days or weeks in advance is so fresh... and no coffee made with a grind that's too coarse or too fine is so rich. Grandma realized that... and so does A&P. That's why A&P Coffee is kept in the whole, flavor-sealed bean till the very moment you buy it... then Custom Ground to your order, just right for best results in your coffee-maker. Try this famous coffee... you're sure to say it's the best you've tasted since Grandma's day!

TROPHY ROOM. The office of Cecil Gabler, principal of Harding High School is somewhat cramped these days, but you'll hear no complaint from the athlete-minded Press official.

Seven trophies won by the school's excellent track squad are waiting for a "coming out" event to be held tomorrow at a special school assembly.

Until then the shiny new cups are being kept in Mr. Gabler's office. Like all Harding, the principal is justly proud of Coach Kenny Somerlot's team's accomplishments and the "inconvenience" it is to sit and admire.

COUNTIN' THE LOOT. Among the various trophies won by the Press this season are the district in Columbus, Fremont Relays, Midtown Chevrolet Rotating, Harding Night Relays, Buckeye League Traveling, Buckeye League Permanent, and the Buckeye League Mile Relays.

Another accomplishment by the men of Harding is their record of being unbeaten in dual competition since April 24, 1948. During that time the Pies have captured 23 straight meets.

CONFIDENCE. Perhaps the sweetest victory in track this season was the one over Findlay that gave the Pies the Buckeye League championship this week. The meet was held at Fostoria.

So confident were the defending champions Findlay, that they did not bother to bring the usual 100-yard dash, 400, broad jump and mile relays.

It was over the one at 5-9 one inch higher than his stature. While Al Gabler greets his visitors with "Come on in, and the furniture," this was a "Harding roofers are swelling up with enthusiasm for their look-see at the seven shiny pools of their track team's superiority this season.

POINT PRODUCERS. Leading point-getters for Harding so far this season have been Big Paul Ludwig and speedy Danny Day. Ludwig runs the high and low hurdles as well as the shot put and competes with the mile relay team. Day takes off in the 100-yard dash, 400, broad jump and mile relays.

Somerlot's crew, under the direction of Coach Kenny Somerlot, officials hastily promised to mail the trophy the next day.

Another success for Ashworth is in excellent half miler Paul Gensler is the "one-man band" of the squad, excelling in the 880, relays, low hurdles, 220-yard dash, and the broad and high jump. Dick "Chief" Bender has soared as high as 11 feet with the pole vault in practice. Others who have turned in commendable performances are Jim Kennell, Jim Condon, Dave Ulrich, Jack Garver, Harry Appleget, Duane Bracy, Ed Weary and Gene Winters.

HERO. A favorite with his teammates is Ed Weary since he jumped higher than his height recently in the high jump event.

Lima Here for "Merchants' Night" Opener

Marsox Play Seven-Game Home Stand

By JOHN SHORT

The Marion Red Sox will open a seven-game home stand tonight with "Merchants' Night" double header with Barnes Lutz's Lima Phillies.

The local Sox will meet the Phillies in another bargain bill on Monday night at the Redmond Tigers set to move into Lincoln Park for a Saturday night game and a Sunday twirl.

Dick Tarry and Bob Maciner of Pete Scott will draw the mound assignment from Skippy Elmer Yeter tonight. The first game an abbreviated seven-inning contest will get under way at 6:30.

Two Sunday

The Marion Sox will play host to the Tigers for a Saturday night tilt at 7:45 and for a split twin bill Sunday. The afternoon contest is scheduled for 2 p.m. with the nightcap at 7:45.

The Sox will be playing without two of the players who have been a uniform George Radick, left-handed hitting outfielder, "pulled up stakes" and left town yesterday. Radick started the season but was recently replaced in rightfield by Dick Kloman. He had been attempting to shake an early-season slump at the plate and apparently became discouraged.

Hurley Baker Hyde was given his outright release by the Red Sox. The right-handed pitcher had appeared in two games but had no won-lost record. He had failed to impress observers during his brief workups in a Marion uniform.

With Ed Sachowski and Max Stengel connecting for long extra base hits and Russ Evans, Kingman, Johnny Andrews and Dick Brodowski hitting consistently, the Sox may improve their third-place standing during the current home stand. Pitching continues to be the main problem but the Marsox have been idle since Sunday and the rest may have been beneficial to the hurlers.

Cleveland Keglars Steal Spotlight

ST. PAUL, Minn., May 17.—(AP)—Cleveland bowlers moved into the spotlight of the 48th annual American Bowling Congress tournament yesterday, providing the first spark in the tourney in the past four days.

The Cleveland Keglars were responsible for the only change in any of the four divisions this week.

The Radiants quint of Cleveland started out last night as if it was going to set an all-time ABC tourney record for the regular five-man event. Paced by John Petro and Bill Flynn the Radiants rolled games of 1,015 and 1,099 to move into the final game with a 2,114 total.

However, the team fell apart in the final game with only Petro being able to maintain the pace. The five finished with a 898 game and ended with a 3,012 total which put them in seventh place. Petro had a 207 count in the final game, the only one to reach the 200 total. He posted a three-game series of 669, the night's second best score.

Zernial on Hitting Spree for Athletics

Jimmy Dyes has it a fine one — a 14-1 slaughter. Dee Pondy and del big Gus Zernial. The slumbering giant is on a record-tying home run rampage.

With six homers in three consecutive games old "Ozark Ike" goes into the little red book in such exclusive company as Tony Lazzeri and Ralph Kiner. And he hasn't stopped yet.

For years the Chicago White Sox did everything but stuck pins into Zernial's hide. Nothing much happened. But they waited and waited.

The home run part started Sunday when he A's dumped the Yankees twice. Gus connected twice in the second game. He hit two more Tuesday night against St. Louis. Then came another pair last night off the Browns.

Eyes Record

So he has six for the season, all in the last three games. If he hits another pair tonight against St. Louis he'll break an American League record.

No 5 came off Cliff Fanning in the second inning and No 6 off Duane Pillette in the fifth. Still the A's lost the ball game, 10-9.

and tumbled into the American League cellar.

Fernis Fain continued his batting surge with three hits, boosting his average to .462 and Lou Klein, former Cleveland infielder, hit his first homer for the A's.

The Browns had homers too. Don Lenhardt hit two home runs and a single, driving in four runs. In two games with the A's he's batted in nine.

Johnny Kucab was the losing pitcher and Al Widmar the winner in a free-swinging brawl.

The surprising Chicago White Sox knocked off the Boston Red Sox at Fenway Park for the second day in a row, 9-5. Joe Dobson went all the way against his old mates. Walt Droppa hit homers in the second and third to drive in four.

WHEN GOOD FELLOWS GET TOGETHER Paul Richards (center), manager of the Chicago White Sox, smiles as he poses with two of his pitchers he used in a strategy move seldom seen in the majors after winning from the Boston Red Sox 9-7 in an 11 inning game at Boston, Mass. With the White Sox leading by one run in the ninth and with Harry Dorish (right) on the mound Richards sent the hurler to third and called in Billy Pierce (left) a left hander, to dispose of Ted Williams. Williams popped out and then Dorish returned to the mound.

Pennys Keep Alive Pioneer Spirit

CHOOSING UP SIDES FOR DISHES. Bob Penny, Marion Red Sox hurler, and his wife, Jean, use a baseball bat to determine who will do the after dinner dishes. Their trailer home is located at Moak's Trailer Park south of Marion. Penny is in his third season as a Marion pitcher. P. S. Bob lost and had to do the dishes.

By A. L. McClain

The old West has been settled to these many years and convertibles screech where once buffalo roamed, but Marion Red Sox pitcher Bob Penny, and his wife, Jean, are living proof that not all the pioneer spirit has gone in this streamlined era.

For the past three baseball seasons the Pennys have loaded their belongings in their house trailer, much like the pioneers, and come to Marion where Bob takes up his baseball.

During the winter months the couple live with her parents in Toledo with the trailer located nearby ready for the "take off" to Marion. This year they are located in the Moak's Trailer Park south of town.

'51 Version

Bob and Jean admit the 1951 version of a pioneer is much simpler than that of a hundred years ago, but reveal it too has its inconveniences. In the recent trip here the water line to their built-in refrigerator broke and Bob is still trying to get it repaired.

The 27-foot "home on wheels" was purchased by Bob shortly before the couple were married early in 1948. Bob admits it was "some problem" carrying Jean through the small open door of the trailer, but adds, "We managed to carry on the matrimonial tradition."

Bob first came to Marion in '49 while Walter Millies was manager. Last season he was singled out by Manager Elmer Yater as one of the most important players in the local club's drive to the Ohio-Indiana League pennant and playoff victories.

The tall six-footer with the blazing fast ball got his start while

hurling with the Navy. Stationed aboard a destroyer, Bob's crew played other Naval teams in such places as England, India, South Africa, South America, Cuba, Puerto Rico, Jamaica and Trinidad.

Heavy Hitter

He was an outfielder, but was converted to a pitcher when signed by the Boston Red Sox. With a .390 batting average for last season, Bob is the best hitting

pitcher on the roster again this year.

Both Bob and Jean express a fondness for Marion and Bob, who is a milkman during the off season, says, "I would like to stay in Marion the year around if I could get a job delivering milk during the off season."

Proof, perhaps, that like their pioneer forefathers, Bob and Jean have the desire to settle down in one locality now that they have found the region of their choice.

Rally by Monsanto Tops Softball Play

Monsanto Chemical, Marion Metal, McMillen Feed and General-Alloy posted wins in the Industrial League No. 2 last night at Garfield and McKinley Parks. Monsanto overcame a six-run deficit to register their second straight win as they downed Fairfield Engineering, 14-13. The winners scored seven runs on five walks, a hit batsman, an error and a triple by John Lenhart. With the bases loaded and two men out, Fairfield hurled: Goffredo was replaced by Jack Gorenflo. After Gorenflo had worked the count to two and two, he served a fat one to Lenhart who drove it deep into leftfield to score the winning run.

Marion Metal pounded across five runs in the sixth frame to dump Jay Maish, 8-5. Five hits and an error brought about the scoring. One of the blows was a home run with one man on base by Baker. Davis belted a homer in the first inning with two men on to give the winners an early lead.

Yanks Send Fireman Page To Farm Club

NEW YORK, May 17—(AP)—

Joe Page's return to the minors was the most dramatic move in the last day scramble by major league ball clubs to cut down to the 25-man limit.

Page, the fabulous "Fireman Joe" of the 1947 and 1949 New York Yankee champions, at least has a job and a salary in the \$25,000 bracket. He goes to Kansas City to work out the kinks in his arm.

Jack Kramer, another big name of the past in the American League, was given his unconditional release by the New York Giants. The 33-year-old right-hander is free to make his own connection.

But most of the players to go were rookies. Fellow like Steve Bilko, the St. Louis Cards' budding first baseman, back for another year on the farm—Columbus of the American Association this time.

All 16 clubs waived on Page who hasn't pitched an inning all year. His arm tightened up during spring training. Only lately has he been able to pitch batting practice.

Page, 33, took the bad news with a "you take the good with the bad" attitude. But he obviously was shaken.

The Yanks also shipped Max Peterson, 27-year-old right-hand pitcher drafted from Toronto last winter. He returns to Toronto without throwing a ball for the Yanks all season.

Detroit lost Pitcher Ray Herbert to the Army and sent Infielder Hal Daugherty to Toledo. That left the Tigers one under so Pitcher Marlin Stuart was recalled from Toledo where he was sent Sunday. Earlier in the day the Tigers traded Pitcher Paul Rogovin to Chicago for Pitcher Bob Cain.

SIGNS RAM PACT

LOS ANGELES, May 17—(AP)—Tackle Jerome Vander Horst of Dayton, O., yesterday was signed by the Los Angeles Rams football club. The 240-pounder starred at the University of Dayton the last two years.

Surprised

McMillen Feed surprised the Post Office in an upset verdict, 3-2. The mailmen nicked Baker, McMillen hurler, for only one hit but managed to score twice in the final inning on four errors and a base on balls. McMillen posted three runs in the opening inning.

General-Alloy squeezed by Sohio, 11-9, at McKinley Park. The winners pounded 16 hits to five for the losers. Bud England, Alloy hurler, aided his own cause by blasting a two-run homer. A Sohio rally in the last inning was cut short when England got Gorbey on an infield roller.

Reds Hottest Team Playing In National

CINCINNATI, May 17—(AP)—Six victories in seven games have made the Cincinnati Reds the hottest team in the National League over the past few days.

But what does it mean?

So tight is the National League race that the Cincinnati spurge has served mainly to close a gap until the Reds now are within two and a half games of first place but they're only tied for fifth in the league.

The Reds barely made it yesterday.

They had to rally for three runs in the eighth inning to eke out a 4-3 victory over the Boston Braves.

It was a game that for five innings virtually matched the brilliant Ewell Blackwell-Vern Bickford pitching duel Tuesday night for excitement.

In those five frames Herman Wehmeier of Cincinnati and Johnny Sain of Boston almost duplicated the Blackwell-Bickford performance.

Yesterday Wehmeier and Sain had given up only four safe blows through five innings.

Then the roof caved in on Wehmeier. His old habit of giving up three balls to almost every batter and of serving up a "gopher" pitch almost cost Cincinnati the ball game.

Home runs by Bob Elliott and Willard Marshall were sandwiched around a walk for three Boston runs.

That made it look like a Boston victory until Redlegs hit four in succession in the eighth for three by the Los Angeles Rams football club. The payoff wallop was Joe Adcock's single which drove in the winning and tying runs. Frank Smith was the winning pitcher.

Fort Miami Off To Good Racing Start

TOLEDO, O., May 17—Racing has been of such a high calibre during the first few days of the current Toledo-Fort Miami Raceway meeting that racy predictions made before the affair opened are being made good in a big way.

The galaxy of trotting and pacing stars brought to the track for this meeting, which opened last Saturday and will continue for 31 nights through June 16, are really getting down to business. Hambletonian and Little Brown Jug candidates, here in goodly numbers, already have been seen in action in some of the early events.

The first night saw several races timed in 2:06 for the mile. This proved that the speedsters training here are rapidly rounding to midseason form. While the track was in good condition Saturday following the heavy rains, 13:30 over the quarter mile track

it certainly was not lightning fast. Among the trotters and pacers most closely watched in the first two or three nights of racing here were Proximate and Direct Rhythm, strong Little Brown Jug candidates, trained by Delvin Miller, in the 10 class pace Saturday night; Farlie and Calvert Hanover, of the Arden Homestead Stable of Goshen, N. Y., both entered in the Marion Trotting stake here and in the Hambletonian; Irish Hat, 2:01 3-4, owned by K. D. Owen, of Houston, Texas; Super Hat of the Saunders Mills stable, 2:01 2-3; Robert Morris, 2:06, of the DeVries stable of Norwalk, Calif.; Flying Sou, owned by Zettlemeyer and Condon of Cleveland, and Seattle Hanover, of Castleton Farms, the last five listed among the country's fastest pacers.

MIDGET RACER WINNER CINCINNATI, May 17—(AP)—Bob Ball of Phoenix, Ariz., won the 50-lap featured midget auto race here last night. His time was 13:30 over the quarter mile track.

Mangrum Favored In \$1,000 Open

DEL MAR, Calif., May 17—(AP)—An unwieldy field of more than 250 golfers set out today in the first round of the \$4,000 California Open championship, with Lloyd Mangrum favored to wind up on top when the final round is shot Sunday.

Play is over the Rancho Santa Fe Country Club course, which measures 6,800 yards and has a par of 36-36-72. Two days ago Mangrum clipped five strokes off par in a practice round.

Professional competition is involved in the first two rounds, partners taking their best ball scores. Individual scores will count in each of the first two rounds and be included in the 72-hole score.

Using paper unpermeated with a vapor fast preventive saves 75 to 90 percent of the time required to pack and unpack machined parts in the grease formerly used.

Lopez Seeks Winning Combination

Tribe Lineup Shuffled Again for Yank Series

NEW YORK, May 17—(AP)—Al (Shake-Em-Up) Lopez was back at it again today. For the fifth time this season, he revised the lineup of his skidding Cleveland Indians.

Desperately seeking a winning combination, the Tribe manager sent Harry Simpson to right field and moved Chapman from right to left field as the Tribe prepared to meet the New York Yankees again.

Dale Mitchell, in left most of the season, but hitting only .222 now, was shifted to the bench. Bobby Avila, supplanted by George Stinewiss last week, went back to second and Birdie Tebbets took Jim Hegan's place behind the plate.

Hopes For Best

Lopez hoped the change would enable his charges to look a little more like a big league club against the Yankees today than it did yesterday.

Early Wynn, who looked good in the early season, but who has dropped his last three starts for a 2-3 record, got the mound assignment. Allie Reynolds (1-3) was picked to oppose him.

Even the return of Easter couldn't help the Indians yesterday. For the most part, they looked shabby and inept in dropping a 11-3 verdict.

Easter played six and a half innings, got two hits and handled several difficult chances in the field without causing further injury to his bad knee.

Bob Lemon started on the mound for Cleveland, but was knocked out of the box in the fifth, suffering his third loss against as many victories.

In the hands of Vic Raschi, the Tribesmen were about as ineffective as against Ed Lopat Monday. Until Raschi left the mound at the end of eight innings because of muscular soreness, he had fanned 10 and doled out only six hits.

fifth and then came through with a two-run homer in the eighth, driving in four runs in all.

Three more Yankee runs resulted from Bob Brown's round tripper.

One of the Tribe's three runs was unearned and another slightly tainted. Actually the team's only legitimate marker was Chapman's homer in the ninth.

In all, the Yanks collected eight hits, three off Lemon and the rest off Steve Gromek and George Zuverink. The Indians got only one hit after Raschi left the mound.

Yesterday's Stars

BATTING—Gus Zernale, Athletics, tied major league record by hitting sixth homer in three consecutive games with two for A's who lost to St. Louis, 10-9.

PITCHING—Vic Raschi, Yankees, struck out 10 for new major league high in 1951 in whipping Cleveland, 11-3.

Waldo Horse Ist at Lebanon

A Waldo horse, Pauline Majesty, owned by Charles Sims and C. E. Graham, both of Waldo, won the feature race at the Lebanon track last night.

Last night's races were held as an observance of Dayton night at the raceway.

Sims piloted his horse to the upset win, Pauline Majesty paid \$14.20, \$7.30 and \$4. She completed the run in a flat 2:14.

Erie Sued For \$100,000

Arrises From Mishap At Marion Yards

The Erie Railroad was named defendant in a \$100,000 damage suit filed today in Marion County Common Pleas Court.

The suit was filed by Mrs. Anna May Huntsman of 192 Nye street, guardian of Richard D. Huntsman, her son. The suit arises from an accident at the local Erie yards on Jan. 19, 1950. The petition filed by Mrs. Huntsman says her son was a janitor in the diesel shop at the time of the accident. He was assigned to a crew of men to aid in cleaning and emptying coal cars.

Mr. Huntsman was injured when a 10-foot steel poker used in knocking the coal loose fell from its resting place against the side of one of the cars, struck him on the head and rendered him unconscious, the petition alleges.

As a result of the accident, Mrs. Huntsman says Huntsman became mentally ill and had to be committed to the Columbus State Hospital on March 20, 1950.

She says her son was 27 years old at the time and was an able bodied man earning \$200 a month. She charges the railroad with negligence in failing to warn Mr. Huntsman of the dangers of the poker and the unfamiliar job. She asks the \$100,000 at six percent interest from May 14, 1951.

Edwin B. Spohn and John W. Watters are attorneys for the plaintiff.

Caledonia, Rev. S. E. Kaetzel, burial Caledonia Cemetery. Friends may call at the funeral home.

Charles W. Lemke—Saturday 2 p.m., Timson Allen Funeral Home, Caledonia, Rev. I. D. Rife, burial Grand Prairie Cemetery, Brush Ridge. Friends may call at the funeral home.
